

Rally Novice

This class is for students who have knowledge of basic obedience exercises as taught in the Pre-Obedience/Rally 101-303 classes. Rally AKC rules and regulations will be introduced. Two Novice Rally courses will be set up each week. Students will receive practice and coaching in reading signs and running courses. We'll cover everything you need to enter your first AKC Rally Competition.

Equipment Required: harness &/or regular collar and 4' or 6' leash.

Rally Advanced

This class is designed to provide experience in running AKC Advanced level courses. Students will receive practice and coaching in a run-through format.

Prerequisites: This class is open to students who have completed Rally Novice and are ready to work primarily off-leash

Rally Advanced/Excellent

This class is designed to provide experience in running AKC Intermediate/Advanced and Excellent level courses. This class will have two rings with Intermediate/Advanced and Excellent signs. Students will receive practice and coaching in reading signs and running courses.

Prerequisites: This class is open to students who have completed Rally Novice. *Intermediate teams are welcome to use a harness &/or regular collar & leash but will not execute any jumps. Advanced and Excellent teams should be able to work off-leash or at least hands-free.

Rally Masters

This class is designed to provide experience in running AKC Master level courses. Students will receive practice and coaching in reading signs and running courses. Please note this class is led by an AKC judge and participants should be aware of any potential 30-day trial conflicts. Contact instructor with any questions.

Prerequisites: This class is open to students who have completed Rally Advanced/Excellent and can work off-leash.
